

Dear Customers,

Due to moving to stage four restrictions throughout Metro Melbourne, we wish to advise that Cafa's Pumps (Cafa's Allstates Electric Motors and Pump Sales) is an essential service and supplier and will be working within the scope of State Government Framework allows.

As a result of this, please see below our trading terms this 6 weeks:

- For our trade customers and farmers we will commence click collect STYLE of business with zero contact. During this time there will be no entry to show room at anytime to adhere with our Covid 19 management plan.
- Please call ahead to arrange your order 5997 2188
- We will still offer contact-less On-site service and repair work
- Our workshop is still doing in-house service and repairs

Please note that our supply chain has been affected by this six week shutdown and some products may not be supplied, we will endeavour to look at all alternatives to meet your needs

We appreciate your ongoing custom and wish you and your family a safe and healthy future.

As always, please feel free to call us to discuss any questions you may have - we look forward to continuing to support each other now into the future

Stay Safe Best Regards,

Anthony and the Team,
sales@cafaspumps.com.au
